RE: Wilcox Oil Superfund Site--Request for Extension of the 14-Day Response to Enter into Good-Faith Negotiations

Dear Ms. Brown:

EPA Region 6 has received your request to extend the required 14-day Response to Enter into Good-Faith Negotiations. Based on your phone conversations with Mervin Benton, EPA's Assistant Regional Counsel, I am granting a one-time extension of the 14-day response until Monday, October 15, 2014.

No later than Monday, October 15, 2014, please have your client (Sunoco) inform Mr. Benton by letter or email whether they will be entering into Good-Faith Negotiations with EPA to perform a Remedial Investigation and Feasibility Study at the Wilcox Oil Superfund Site.

Please be advised that this is a one-time extension and no further extension will be granted regarding the 14-day Response to Enter into Good-Faith Negotiations.

If you have any additional questions, please contact Mr. Benton at (214)665-3190 or via email at benton.marvin@epa.gov.

Sincerely,
